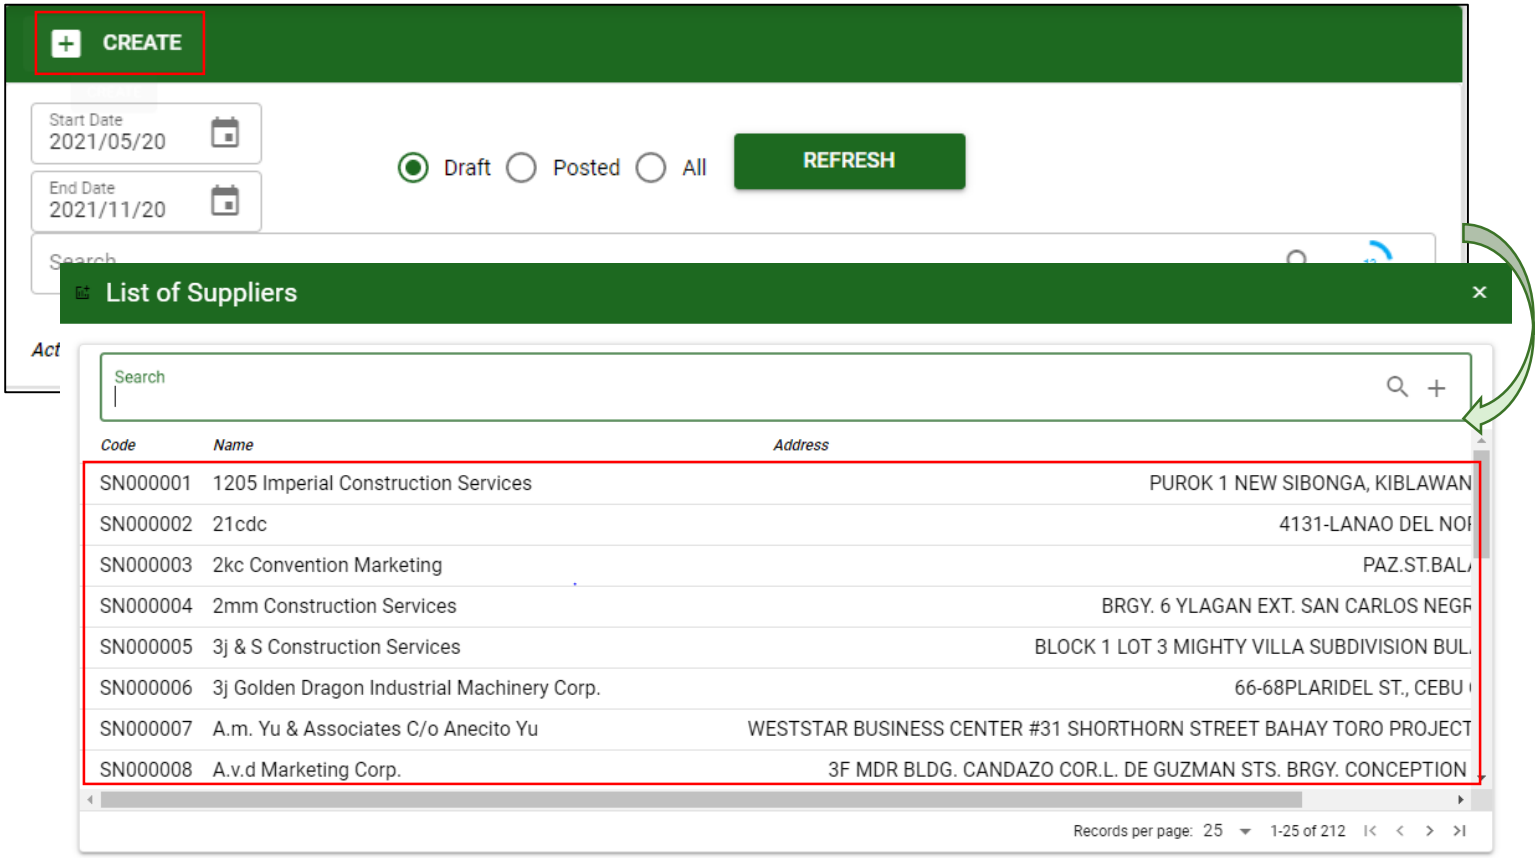
CASH/CHECK VOUCHER

KNOW HOW TO CREATE CASH/CHECK VOUCHER

a. Cash/Check Voucher is where payment whether it is in cash or in check is recorded. It is where we also disburse the APV document we made in Accounts Payable Voucher. To create new Cash/Check Voucher, click the ***CREATE*** button to proceed.

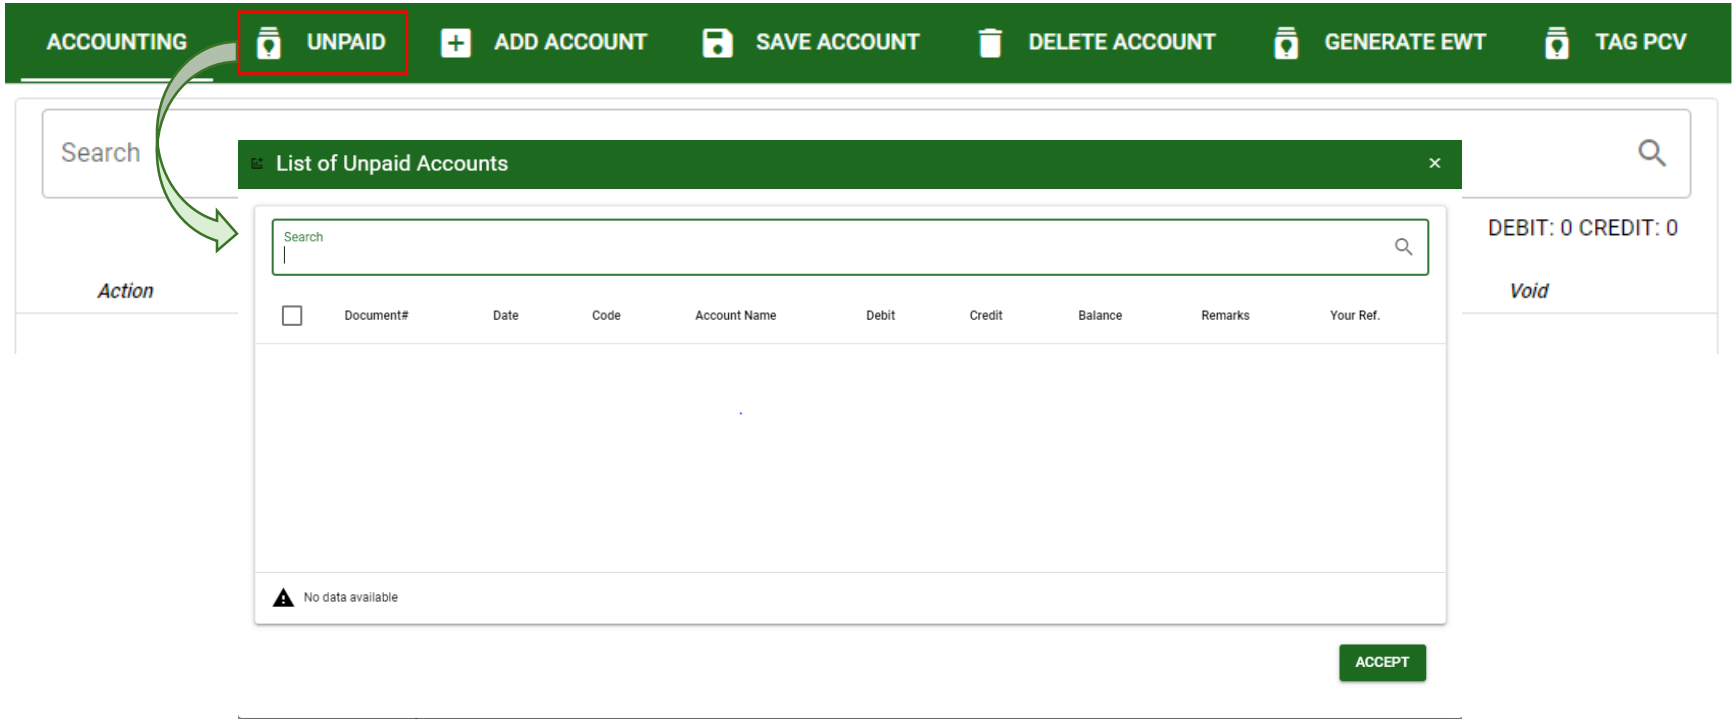
b. Upon creating new cash/check voucher transaction, a dialog box will pop out with list of supplier. Type the supplier in the search bar and it will automatically sort out. Then click the selected supplier.



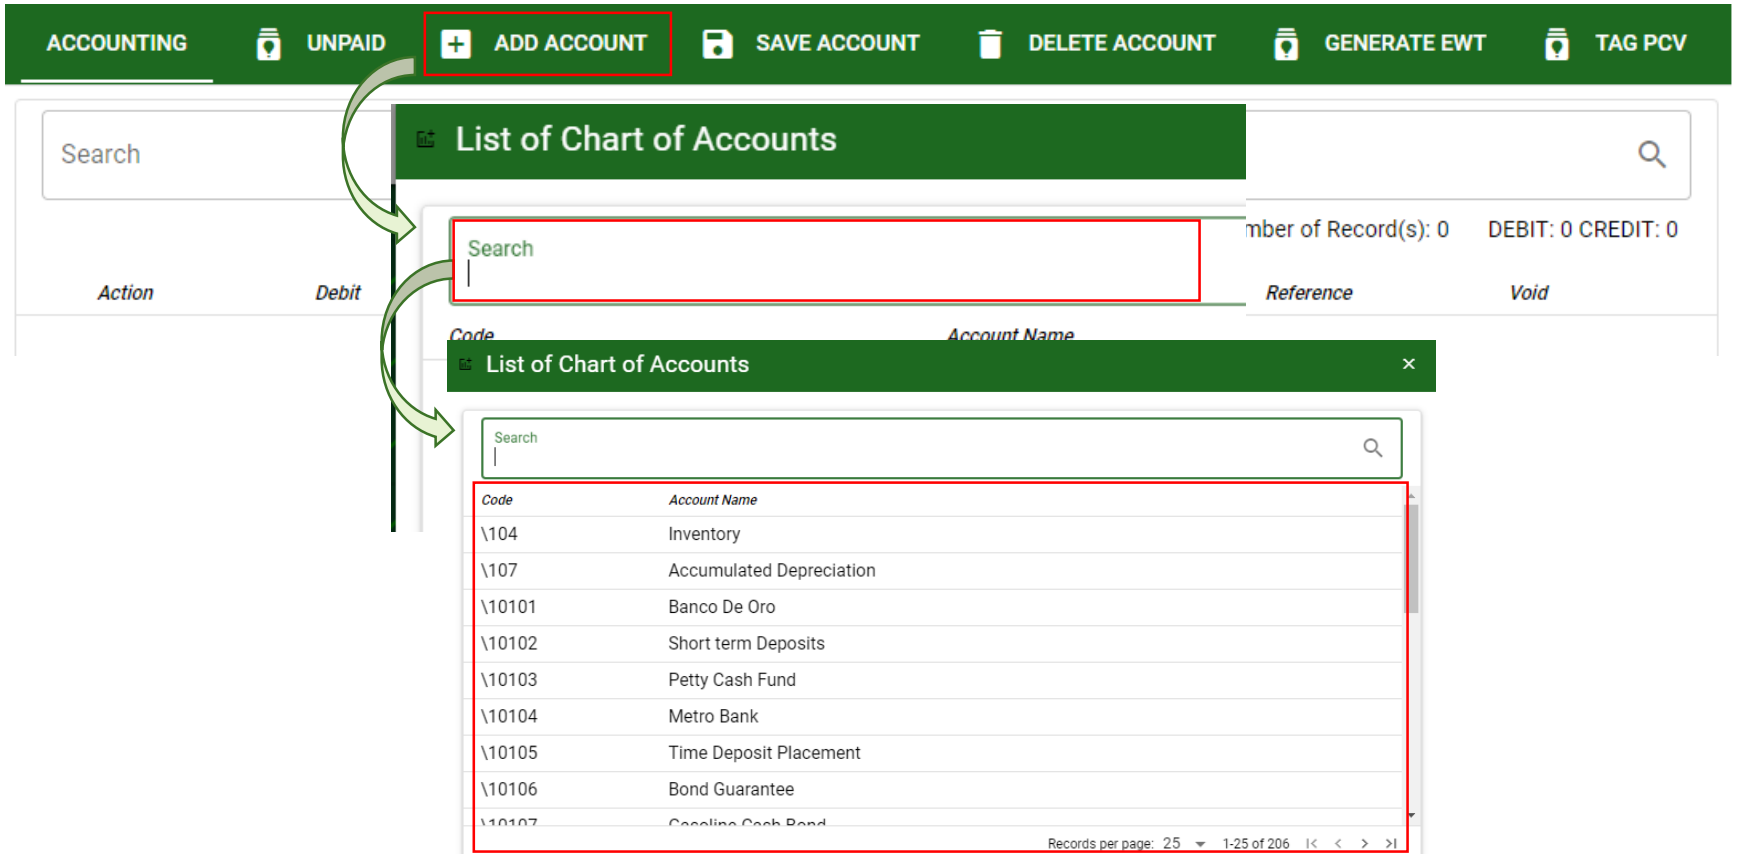
KNOW HOW TO SELECT ACCOUNT IN CASH/CHECK VOUCHER

a. To select account/s in Payable Voucher, the user can proceed with the following:

a.1. **UNPAID:** This will show all unpaid payables of the supplier and select it by ticking the checkbox. Click **ACCEPT**, if done.



a.2. **ADD ACCOUNT:** This will allow the user to manually select an account. Click **ADD ACCOUNT** button then ENTER in Search bar to load all accounts.



b. **SAVE ACCOUNT**: To save the accounts and to proceed.

c. **DELETE ACCOUNT**: To delete all accounts for the specific transaction.

d. **GENERATE EWT**: This will generate EWT percentage based from **EWT Setup** under **TRANSACTION UTILITIES**.
